OFFICIAL PAPER OF THE CITY

Tropico has not been a slacker in responding to the calls made by our government upon its people to show their patriotism by loaning money to prosecute the war. Our citizens have subscribed for about $30,000 worth of bonds to date, $6000 being for the Second Loan for which a drive is now on. That means about $10 per capita. We can do better than that however, and we should. When we consider what France is doing, the tremendous sacrifices she has made, and the wealth that England has poured out, every mother's son and daughter of us should take account of stock and see what economies we can effect that will enable us to buy bonds. A bond can be purchased on time, $5 a month, and that is a sum within the means of almost every wage earner. Then the bond is perfectly negotiable in case the owner should wish to convert it into cash; for many corporations have volunteered to take bonds at their face value. Such a bond is also a great convenience as collateral security should the owner at any time need temporary accommodation at a bank.

The Sentinel hopes Tropico will make such a showing in the present drive as to forever silence the critics of our little municipality. GET $5 TOGETHER AND BUY A BOND.

Tropico has not been bragging about its investment in Liberty Loan bonds, yet it appears from inquiries of those who are well informed that the Red Cross workers have proved their patriotism in the practical way of buying bonds, as well as in service. Nevertheless there is still need for more money and if there are any who have not yet subscribed who by any possibility can loan $50 or $100 to our government to aid it in prosecuting this war to a finish, they should not delay. We do not want any dubious peace which will give the enemy a chance to recover and renew its attack on the civilized world. The career of frightfulness of a nation which could calmly plan such atrocities as chopping off the hands of babies to destroy their usefulness for life, to unsex men and boy prisoners as a means of impairing the recuperative powers of the nations on which they were waging an aggresive warfare, and the violation of women to breed them like cattle for the purpose of increasing the German population, should be enough to make every American, every lover of freedom and democracy ready to give to the limit to support our armies and their allies in the struggle to crush so monstrous an enemy of civilization.

The next campaign announced by representatives of the government is the food pledge drive. This food pledge has been altered and amended at Washington until it is now a rational instrument committing the signer to economy and conservation in the use of food. As one of its promoters has declared, the government would rather have women saving wheat as far as they consistently can and at the same time maintain the welfare of their families, than to have them trying to accommodate themselves to a wheatless day and wasting the rest of the time. It is the constant economies that are going to win. These new pledges will be circulated in Tropico and the Sentinel hopes every housewife will enroll, because every woman can conscientiously sign the card in its amended form.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle.
Take Hall's Family Pills for constipation.

THURSDAY CLUB MEETS

A very delightful meeting was held by the Thursday Afternoon club at the home of Mrs. E. F. Tholen on Brand boulevard last Thursday.

Considerabel time was consumed in the consideration of appeals to purchase Liberty Bonds,, to co-operate in Yuletide work, and in the food conservation drive of the Council of Defense, and members voted to co-operate to the extent of their ability in all of these matters. The president reported that the new food pledge on which a drive is to be made, is more rational and not so drastic as the first one put out by the committee, and the secreary was instructed to secure some of the new pledges from Dr. Jessie Russell. The club also voted to co-operate with the local Red Cross auxiliary in Yuletide work of a benevolent character. Knitting for the Red Cross was the order of the afternoon, Mrs. Bacon distributing yarn to those who lacked.

The program, a patriotic musical was made up of national airs played by the victrola, beginning with the Belgian air, followed by the "Marseilles," "God Save the King," and last, the "Star Spangled Banner" which the club united in singing.

Mesdames J. Herbert Smith and Edw. Lynch presided at the tea table. There was an excellent attendance and though quite informal, the meeting was much enjoyed.

K. OF P. MEETINGS

Members of the Twin City Lodge, K. of P. enjoyed one of the best get-together meetings they have had for a long time. No arangements had been made for anything unusual therefore, the several short talks along the line of self-responsibility in the fostering and development of Fraternity Brotherhood showed deep thought on all subjects pertaining to the humanitarian principles of the Order. Come out brothers, for we are sure to have more of them.

Invitation

On Thursday evening, October 25th a very short session will be held and at 7:45 the doors will be open to the public. A varied entertainment will be carried out and the Pythian Lesson of Friendship (in costume) will be exemplified, followed by a social dance. All are invited, free.

TEACHERS' RECEPTION

Tropico was well represented at the reception for teachers given last Friday evening at Union High school by the Federation of Parent Teacher Associations. The excellent program included music and three minute talks by Dr. Jessie Russell, Doctor Bryant, president of the high school board of trustees, Mrs. Cole, president of the Grammar school board of trustees, Mr. Moyse, principal of the High School, and Mr. White, principal of the Intermediate school, of Glendale. Mrs. Harry Greenwalt, Mrs. Arthur Brown and Mrs. Ben H. Nichols had charge of the affair.

RECEPTION TO PASTOR

Last Thursday evening members of the Tropico Methodist church and many who are not members, gathered in the social hall of the church to give a word of greeting to the new pastor and his wife, Mr. and Mrs. B. C. Cory.

While it was quite an informal affair, directed by Mrs. Cramer, president of the Ladies' Aid, several speeches appropriate to the occasion were made.

Mr. Clyde Seal, as member of the City Council, welcomed Mr. and Mrs. Cory to Tropico. The greeting of the church was conveyed by Rev. Henry Goodsell. Mr. Hyer spoke for the Sunday school, Mrs. Kopp for the Foreign Missionary society, and Mrs. Lucas for the Home Missionary society.

The pastor made suitable response in an unaffected way and the gathering was altogether enjoyable. Light refreshments were served by Mrs. Cramer and assisting ladies.

Union High P. T. A.

The Union High P. T. A. has announced a reception Friday evening, October 26th in the cafeteria of the high school "just for parents of children in the Freshman year." It will be a get-together party. Later there will be a series of similiar reception for parents of sophomores, juniors and seniors.

MOTHERS' CLUB MEETS

Last Friday a very successful meeting of the Mothers' Club was held at the Acacia school.

Tea and wafers were served by the hostesses of the day, Mesdames George and Will Peterson, Herman Melrose and J. A. Grant.

After a social half-hour members were called to order and the program provided for the afternoon was given consisting of a piano number by Mrs. Noble Ripley, secretary of the club, and a talk on Vocational Education by Miss Ethel Hume Flood, of Glendale Union High school. Miss Flood believes in training the child to find itself and learn what it really wants to do in life. Vocational education will enable parents and teachers as well as the child to determine in what direction its tastes and talents lie.

The next meeting of the club will be held the third Friday of next month, November 16th.

Children's Society Vaudeville

Tuesday afternoon, November 6th, the wonderful recital in the form of a children's vaudeville given last spring by pupils of the Pearl Keller School in which Tropico takes such pride, will be repeated at the Palace Grand Theater in Glendale as a special matinee.

Although large audiences witnessed it at that time, there has been a clamor for its repetition. Mrs. Keller yielded to the popular wish and will reproduce it at the time named to practically open her season and show the character of the work which is being done by pupils of the Pearl Keller school. Some of the most surprising and captivating numbers are performed by tiny pupils hardly old enough to talk; but no less remarkable are the dancing and dramatic work of advanced pupils who have had the benefit of continuous instruction for two years. Pearl Keller is not only a woman of great talent, but a genius in the handling of children, and the things she is able to stimulate them to do are little short of marvellous.

MOUNT LOWE EXCURSIONS

Traffic Manager D. W. Pontius of the Pacific Electric Railway Company, announces a season of autumn excursions to Mt. Lowe at special fares, as in previous years. The fare from Los Angeles to Alpine Tavern is now $1.50, and from Pasadena $1.25, and tickets will be on sale daily until December 3rd, inclusive.

The return limit on these special tickets is seven days, and the Mt. Lowe Resort, consisting of Ye Alpine Tavern and Cottages, is making very low rates both on the American plan and for housekeeping cottages.

Many improvements have been made at this resort during the past year, and a great variety of amusements are at the free disposal of guests, including a new cement tennis court and a children's playground.

On Saturday evening, October 27th, the management of the Tavern will give an old-fashioned Hallowe'en Party with Hallowe'en sports, dancing, entertainers, refreshments, etc. Many of those who were present at a similar affair on Mt. Lowe last year are already making hotel and cottage reservations for this event.

Death of Clyde Hill

The friends of Clyde Hill, and they were many, for he lived in Tropico eleven years, were sincerely grieved to learn of his death at Corona last Wednesday after an illness of about four months. Learning of his critical condition, Mrs. A. Vaulet, Mrs. Baird and Mrs. Barlet went to Corona but arrived too late to see Clyde alive. He was but twenty-nine years of age and was a native of Kansas. About three years ago he married Miss Barlet of this city, who is heartbroken over her great loss. Funeral services were held in the Catholic church in Glendale last Friday at 2 p. m., the pall bearers all being old friends of the dead man, viz. Al Vaulet, Lee Bowers, Julius Moniot, Robert Danner, John A. Logan and Louis Lambermont. Interment was made at Forest Lawn Memorial Park.

Miss Lockhart to Whistle

Miss Ora Dayton Lockhart, cousin of Pearl S. Keller who, with her mother is a guest in the Keller home,, will be the soloist at the community concert to be given at Union High in Glendale Saturday evening. Miss Lockhart is a professional whistler and is in great request in Seattle and other cities of her home state where she has filled engagements both private and on the Pantages circuit. The coming concert will be her initial appearance before Glendale and Tropico audiences and therefore an event of special interest. The program will be in charge of representatives of the Cerritos Avenue school of this city.

Honorable William G. McAdoo, Secretary of the Treasury, expressing his thanks for the co-operation of the Marine Corps.

Every effort is being made by all departments of the Government to insure the complete success of the Second Liberty Loan.

Secretary of the Treasury, the Honorable William G. McAdoo, not content with merely directing the campaign from his office chair in Washington, has been touring the entire country, making direct personal appeals to as many of the people as he could reach.

While in Los Angeles he took occasion to express to the Officer in Charge of the Marine Corps Recruiting Station and two of the Sergeants on duty there, his appreciation of the efforts the Marines are making in behalf of the Loan.

Every officer and man in the Marine Corps is being urged to subscribe to the Bonds. Special arrangements have been made by Major-General George Barnett, Commandant of the Corps, whereby Marines who take Bonds may make their payment direct through their pay-masters. Similar arrangements are being made for soldiers and sailors, too. Thus the Army, Navy and Marine Corps are all working for the success of the Loan.

Not every one can enter the Service but all can buy a Liberty Bond before the campaign closes on OCTOBER 27th. That, too, is a direct service to the country.

LOCAL HAPPENINGS

Chapel Nearing Completion

The exterior of the beautiful chapel which is being built at Forest Lawn Memorial Park is nearly completed but the decoration and furnishing of the interior will require several weeks owing to a number of delays in the shipment of goods ordered.

Property Traded

Mrs. W. E. Burk, daughter of Mr. and Mrs. D. O. Martin, has traded her home at 525 No. Central ave., to Mr. Estes of Oklahoma for property in Muskogee, Okla. Mrs. Estes and daughter are now in Los Angeles where the daughter is attending college. The Burks will not return to Tropico.

New Thought Party

The New Thought Center in Glendale will give a halloween party at the home of Mr. and Mrs. C. N. Williams, 1228 Maple ave., Friday evening at 8 o'clock.

Yeomen Halloween Dance

The Yeomen will have a halloween dance in Yeomen Hall on San Fernando Road Friday evening, October 26th. A good time is promised and everybody invited.

Hunters Return

Messrs. Spear and Bullis returned the fore part of the week from a hunting trip of about a fortnight's duration in the Imperial Valley and byways.

Dr. Lucas Returns

Dr. P. O. Lucas returned Tuesday from Ponca, Oklahoma, whither he went about three weeks ago to visit a brother whom he hoped to persuade to return with him to Tropico. In that hope he was disappointed though the brother is planning to bring his family to California later in the season.

George Flanders of Tropico is a patriot who has been released by Uncle Sam after having been enrolled in the army, on acount of being under-weight.

The Shea-Beach Dance

About one hundred young people, most of them Union High boys and girls, enjoyed the dance given by Jamie Shea, Walter and J. T. Beach last Friday evening. The hall was attractively decorated with flags and dainty refreshments were served by a committee of girls who assisted the hosts. Mitchell's Orchestra furnished excellent music.

For Mission Children

Members of the Foreign Missionary Society of the Methodist church and others interested in missions who gathered at the church last Saturday, spent a busy evening preparing postal cards to be sent as Christmas remembrances to native children in Philippine missions. They will be forwarded by Miss Hewitt.

Baby Seeks Votes

Tropico people are asked to help Baby Maurine L. Burke daughter of Mr. and Mrs. C. Maurice Burke, to secure a $400 piano from the Platt Music Company of Los Angeles by visiting the store and depositing their ballots for her in the baby contest now being held at the store to which the music company has recently moved. Mr. and Mrs. Burke, who were formerly residents of Tropico, returned to the city only last Saturday and are now living at 204 E. Cypress.

Likes the North

Mrs. Adelaide Imler reports that her sister is so well satisfiedd with life in a university town that she will probably not return to Tropico until Christmas time. Captain Eugene Imler is drilling a company of Throop students in intervals of study.

Luncheon and Theater Party

Mrs. Louis Coole was hostess at a Saturday luncheon at which she entertained Mrs. Noble Ripley, Dorothy Hobbs, Mrs. Glen Craig, and Pauline Craig. Following the function the party visited the Palace Grand Theater.

Red Cross Exchange Sale

Mrs. Hattie Tiffany has charge of the Red Cross Exchange sale which comes off Saturday, October 27th, at the Tropico Grocertia on Brand Boulevard. She will be assisted by young women of the Red Cross auxiliary and will probably have no difficulty in disposing of the goods things on sale. Last time the stock was sold "previous" i. e. it was spoken for before it had a chance to reach the counter.

The ladies of the committee hope members of the community will be generous with contributions. Bread, cake, pie, canned fruit, jams, jellies and preserves, salads etc. will all be welcome. Everybody is asked to contribute whether he or she belongs to the local Red Cross auxiliary or not. The proceeds are to be used to provide comforts for the twenty-nine boys who have gone to camps or training ships from Tropico.

Visit Camp

A party of Tropico ladies drove to Arcadia last week to see the camp before it should be entirely transformed by the transfer of soldiers to the Linda Vista cantonment. They saw Charles McKenney, who is a quartermaster, and also saw Eddie White of Battery F., who expected to leave for the San Diego camp the day following. While the ladies were present mess was served and the good things to eat made their mouths water. They report that the menu included: beefsteak, sweet potatoes, string beans, bread and butter and coffee. The party consisted of Mrs. John Hobbs, Miss Dorothy Hobbs, Mrs. Noble Ripley, Mrs. Andrew Stephenson and Miss Mary Logan.

Another Veteran Passes

Attended by members of the N. P. Banks Post, the mortal remains of James R. Fletcher, a veteran of the Civil War and graduate of Annapolis, were laid to rest last Friday morning in Forest Memorial Park. Funeral services were held in Los Angeles, the officiating pall bearers being Comrades Weiler, Goss, Norton, Thayer and Taylor.

SURPRISE PARTY

On Friday evening, Oct. 19th, Master Walter Hibbert, of 204 South Brand Boulevard, was called home to find the house full of his young friends who had met to surprise him on the occasion of his fourteenth birthday. His surprise was complete, not only at the gathering but at the many pretty and useful presents his friends brought. The evening was spent in games and dancing. At eleven o'clock the guests sat down to a bountifully spread table. The merriment continued until midnight. Among those present were:

Eleanor Field, Helen Hartwig, Lois Webb, Erma Bradshaw, Mary Logan, Ruby Stone, Harriet Cook, Helena Richardson, Jessie Dutton, Leona Hibbert, Harvey Hayward, Clayton, Card, James Hamilton, Earl Jodon, Brigham Bennett, Stanley Burke, Neville Richardson, Melvin Lawyer, Paul Morgan, George Melrose and Walter Hibbert, Mrs. Hartwig, Mrs. Collage, Mrs. Hayward, Mrs. Hibbert, Mr. Collage, and Mr. Hibbert.

THE MICHIGAN WILDS

Mr. Oscar Denison of Mira Loma avenue has received an interesting letter from his grand-daughter, Mrs. Nica Denison Emerson, who is enjoying an outing in Northern Michigan. He has permitted the Sentinel to publish extracts from the letter. Mrs. Emerson writes:

"Take a map and find Houghton County in the Northern Peninsula. Sidnaw is in the southern part of that county. Follow south and just in the next county (Iron) is Perch Lake. We are living about a quarter of a mile from that lake. It is a beautiful lake 2 miles across and four miles long.

"We are fifteen miles from Sidnaw and that is the nearest town. I have walked into town and back since we came. On the way back I saw a bear. I suppose that sounds funny to you, but we are up in a wild country. It is where men come to hunt for deer. We have heard wolves howl a good many times. There are foxes, wolves, deer, bear, and I don't know how many other animals. It is not deer season, but the men have seen lots of them. When we first came the days were warm and the leaves were all red and yellow and we went all over the woods every day. Today is quite cold. It has been snowing all day. It is the third snow storm since we came but I am not going to let it interfere with my going out of doors. The men hunt and fish all day but have begun to put up wood for winter."

A LECTURE ON CHRISTIAN SCIENCE

ENTITLED, "CHRISTIAN SCIENCE: THE REVELATION OF DIVINE POWER"

LECTURER FROM MOTHER CHURCH EXPLAINS THE PROMISED COMFORTER TO BE THE "SPIRIT OF TRUTH", WHICH LEADS MANKIND INTO ALL TRUTH, EVEN TO THE VERY SOURCE OF TRUTH, WHICH IS GOD

Under the auspices of First Church of Christ, Scientist, Mr. Bliss Knapp, C. S. B., of Brookline, Mass., lectured at the Church Edifice at Second street and Maryland avenue on Sunday afternoon, October 21st.

Mr. Morris Schick, president of the Church introduced the speaker.

Mr. Knapp, who is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., spoke substantially as follows:

It is true that every system of religion known to men claims to be the promulgation of revealed truth; but that which differentiates the demonstrable revelation of Christ Jesus from all others is its power to give life and to restore health. It is the life-giving power in Christian truth which makes it demonstrable in healing sickness and sin.

The preparation for Mrs. Eddy's great discovery seemed to include much of the sorrow and suffering that purifies one's thought and purpose. Mrs. Eddy was a gentle woman of deep religious experience, trained from her youth to seek in divine guidance actual relief from sicknes and distress. Added to that was an unusual intellectual training and development from her youth, so that she was characterized by great personal charm by reason of her refined manners and well-balanced mind. Then, in the very flower of her youth, she was overwhelmed with grief at the loss of all that seemed near and dear to her. There followed a long period of invalidism and the search for a remedy, which culminated in the conviction that disease responds most readily to a mental remedy. Still abiding in that conviction, she met with an acident which was so serious that it was expected to result fatally. Knowing that only spiritual things could save her, she turned to her Bible for help, and as she read those spiritual truths, she was wonderfully healed. That was in 1866. There was her proof of mental healing, and that the divine Mind is the healer to comfort in sorrow and in sickness. The next step was to learn the Science of that healing, and she states in Science and Health (p. 109), "I won my way to absolute conclusions through divine revelation, reason, and demonstration." Again she writes, "Reason and revelation were reconciled, and afterwards the truth of Christian Science was demonstrated" (p. 110). She stated that Science in the Christian Science textbook so simply and logically that the simple reading of that book has brought the healing Comforter to multitudes of those in sicknes and distress, and made them "every whit whole."

Mrs. Eddy had thus become the discoverer of Christian Science, and the founding of its institutional work was to follow. By her clear statement of scientific Christianity, Mrs. Eddy has enormously increased the number of followers of Christ's teachings. The sick are healed of bodily ailments by reading its literature; the sinner may know how to liberate himself from his sin; and greatest of all, the pure-minded is given the power to save himself from the general belief in sin, so that the good he desires to do, that he can do. Mrs. Eddy has therefore proved, in accordance with the vision in the Apocalypse, that a pure-minded lock "the law of the Spirit of life in woman, armed with Science, can un-Christ Jesus," and reveal the promised Comforter.

CARD OF THANKS

Mr. and Mrs. J. E. Vandiver desire to express their deep appreciation and thanks to their many friends for the kind sympathy and generosity ofered since Mr. Vandiver's illness. They would like to thank each one personally but knowing that to be impossible, use this means instead.

He misses the dear friends on his route, and will be glad when he is again able to serve them.

The Mission Home

Tropico people will be glad to learn that the institution at 525 North San Fernando Road, which has had a checkered carreer as a hospital is now flourishing under the efficient administration of Mrs. M. P. Moberly as the "Mission Rest Home." In brief it is a boarding home for elderly people and convalescents. She makes her big family comfortable and happy and her business is growing steadily, she informs the Sentinel. She came to Tropico August 1st with a company of sixteen. She now has thirty and more are coming.

NOTICE OF ELECTION

RESOLUTION NO. 243

A RESOLUTION CALLING A SPECIAL ELECTION IN THE CITY OF TROPICO AND SUBMITTING TO THE ELECTORS OF SAID CITY THE QUESTION WHETHER THE CITIES OF TROPICO AND GLENDALE SHALL BE CONSOLIDATED.

WHEREAS a Petition has been filed with the Board of Trustees of the City of Tropico asking that the City of Tropico and the City of Glendale be consolidated; and whereas the Board of Trustees of said City of Tropico has examined said petition and inquired into the number and qualification of the signers thereof and taken evidence thereon;

NOW THEREFORE, the Board of Trustees of the City of Tropico do resolve as follows:

SECTION 1. Said Board of Trustees hereby finds and declares that the said petition is signed by not less than one-fourth in number of the qualified electors of said City of Tropico as shown by the registration of electors of the County of Los Angeles, and that the said City of Glendale has a greater population than the City of Tropico, and is contiguous thereto.

SECTION 2. A special election is hereby called for and shall be held in the City of Tropico on the 21st day of November, 1917, and at said election there shall be and is hereby submitted to the electors of said City of Tropico the question whether the City of Tropico and the City of Glendale shall be consolidated.

SECTION 3. On the ballots to be used at said election there shall be printed the words, "Shall the Cities of Tropico and Glendale be consolidated?" and opposite such proposition to be voted upon and to the right thereof the words "Yes" and "NO" shall be printed on separate lines with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes", the vote of such elector shall be counted in favor of such consolidation, and if an elector shall stamp a cross (X) in the voting square after the printed word "No", the vote of such elector shall be counted against such consolidation. Electors are hereby directed to vote upon the question of such proposed consolidation in the manner herein provided and above mentioned. Except as herein or by law otherwise provided, the ballots used at such election, the opening and closing of the polls and the holding and conducting of said election shall be in conformity with the general laws of this state concerning municipal elections.

SECTION 4: That for the purpose of holding said special election, the said City of Tropico is hereby divided into two precincts by the consolidation of precincts which existed for the holding of the last general state election, which precincts are hereby established and designated, and election officers and polling places for said respective precincts are hereby appointed and designated, as follows:

Special Election Precinct No. 1 All that part of the City of Tropico included within the following boundaries, to wit:

Beginning at the intersection of the prolonged center line of Cypress Street with the west boundary of the City of Tropico; thence easterly along the said prolongation and center line of Cypress Street to the center line of Brand Boulevard; thence northerly along the center line of Brand Boulevard to the center line of Palmer Avenue; thence easterly along the center line of Palmer Avenue to the center line of Glendale Avenue; thence northerly along the center line of Glendale Avenue to the center line of Palmer Avenue, formerly Moore Street; thence easterly along the center line of Palmer Avenue and the prolongation thereof to the easterly boundary line of the City of Tropico; thence northerly, westerly, northerly and westerly along the boundary lines of the City of Tropico to the intersection of the center line of Brand Boulevard with the northerly boundary line of the City of Tropico; thence westerly and southerly along the various courses of the boundary line of the City of Tropico to the point of beginning;

the same consisting of Tropico City Precinct No. 1 and Tropico City Precinct No. 2 as the same were established and existed for the holding of the last general state election. Polling place: Number 504 North Brand Boulevard; Officers of Election:

Inspectors: Wayne Frank; Emmeline Roake.

Judges: Adelaide H. Imler; Addie E. Chappius.

Clerks: Cora G. Maxwell; Mary A. Phillips.

PROCEEDINGS OF BOARD OF TRUSTEES

The session of the board last Tuesday evening was a short one as there were but few items of business to be considered. Most of the time was given to the discussion of matters on which no action was taken.

This Liberty Loan

A communication from the Liberty Loan Committee of Los Angeles asking the council to issue a proclamation naming October 24th as Liberty Loan Day, was ordered placed on file.

The question of investing city funds in Liberty loan bonds which was laid over at the last meeting, was brought up and the City Clerk in accordance with the instructions given submitted a report of city finances which showed that the amount in the general fund of the city treasury October 1st was $3176.58; that of this amount $798.65 had been expended during the present month; that further payments from the county on account of taxes could not be looked for before the first of January and that approximately $1000 per month would be needed to meet municipal demands. When appealed to for an opinion, Attorney Shaw expressed doubts relative to the council's legal right to appropriate money from the general fund for the purchase of bonds. No action therefore was taken.

City Maps

City Attorney Shaw submitted city maps brought down to date and on motion of Trustee Veselich the council voted to make them permanent records of the city and place them in custody of the city clerk.

Parkway Permit

Mr. Charles M. Turck was granted permission to trim trees in the parkway fronting his property.

Option on Lighting System

A letter from the Southern California Edison Company relative to an option held by the City of Tropico which will expire November 1st, to purchase the lighting system formerly owned by the Pacific Light and Power Company from whom the option was secured, was read by the city clerk On motion of Trustee Seal the matter was referred to the chairman of the board with instructions to negotiate with the Southern California Edison Company for an extension of the option to November 1st, 1918.

Tropico Avenue Improvement

Considerable discussion was had relative to the improvement of Tropico avenue. Trustee Seal favored paving with a concrete base. The relative merits of cement and macadam were canvassed, Engineer Wattles stating that the cost of concrete per running foot on each side of the street would be about $1.50 against $1.29 for macadam. It was finally left to Trustee Seal, as a Tropico avenue property owner, to circulate petitions carrying both propositions to give residents a chance to express their preference, it being the sense of the council that the thoroughfare should be improved from Central to Glendale avenue.

Political Meetings

Trustee Seal made a plea for the use of the council chamber in the coming consolidation campaign by both factions for weekly meetings. Trustee Veselich and others opposed it as calculated to promote strife and dissension, and no action was taken.

Red Globes

Marshal Gould asked the board to purchase red globes for street lamps to be placed by him at certain dangerous corners and on motion of Trustee Henry the city clerk was instructed to buy one dozen.

Demands

Demands were then approved and ordered paid as follows: Tropico Sentinel, printing, $6.50; Baker Hardware Store, $1.48; Street labor $7.50; Election expense, envelopes, etc., $18.98.

The board then adjourned.

Card of Thanks

To the many friends of Clyde Hill who showed kindnesses to him in his last illness, and for the help and sympathy extended to us in our great breavement, we, his sorrowing relatives wish to express our grateful thanks.

Mrs. Clyde Hill,
Mrs. E. M. Hill,
Mr. and Mrs. C. Whitridge.

To Practically Demonstrate

The class in salesmanship at Glendale Union High has been excused from the class room this week and sent out to make a practical demonstration of the theories it has been studying in the sale of Liberty Loan bonds. Let us hope the boys will make a great record for their own sake, for the sake of the cause and for the credit of Union High.

MORE ELECTRICAL ENGINEERS TO BE COMMISSIONED IN NAVY

The University of California has been asked to recommend eighty-five electrical enginners who are university graduates and have had at least a year of experience in designing, testing, or manufacturing, in the field of electrical engineering, for Reserve Officer commissions, as Lieutenants of the Junior Grade in the U. S. Navy to serve for the duration of the war. Any college trained electrical engineers who can meet the requirements are invited to communicate with the Military Intelligence Office at the University of California. Men who win these commissions will receive a month's preliminary military training and then be assigned to the nation's fleets, to serve as electrical officers on various ships. Candidates must be between the ages of 25 and 35. For these positions the salary will be from $2200 to $2480 a year, with an additional allowance of $150 for equipment and with various perquisites.

Our National Anthem

The Star Spangled Banner

O, say can you see by the dawn's early light,
What so proudly we hailed, at the twilight's last gleaming,
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, bombs bursting in air,
Gave proof thru the night that our flag was still there!
Oh! say does the star spangled banner yet wave
O'er the land of the free,
And the home of the brave.

On the shore dimly seen thru the mist of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected, now shines on the stream;
'Tis the star spangled banner, oh! long may it wave
O'er the land of the free,
And the home of the brave.

Oh, thus be it ever when freemen shall stand
Between their loved home, and the war's desolation;
Blest with vict'ry and peace, may the heaven rescued land
Praise the Power that hath made and preserved us a nation;
Then conquer we must, when our cause it is just,
And this be our motto, "In God is our trust,"
And the star spangled banner in triumph doth wave
O'er the land of the free,
And the home of the brave.
